Introduction

Local Authorities are required, to operate a coordinated admissions scheme for First, Primary & Middle Schools (i.e. schools who admit children below age 11). Under the scheme, LA's are required to coordinate with neighbouring authorities, and all admission authorities within their area to ensure that only one offer of a school place is awarded to pupils. The Scheme outlined below applies to the academic year 2022/23, and is similar to the scheme implemented for the last few academic years.

The Application Process

ALL pupils, who reside **within Worcestershire**, who wish to apply to **any** First, Primary or Middle School, including any school outside the county of Worcestershire, are required to complete an application.

This also means that any pupil, who does not reside within Worcestershire, but wishes to apply for a place at a Worcestershire school must complete an **application provided by their "home" LA**. (The "home" LA is defined as the Local Authority relevant to the child's home address). The "home" LA will ensure the application details are passed on to this authority for consideration in the allocation of school places. (See timetable for dates).

Co-ordinated Admissions Scheme for First, Primary & Middle Schools in Worcestershire for 2022/23 Academic Year

When all applications have been considered, in conjunction with neighbouring LA's and/or Academies, Foundation, Free and Voluntary Aided Schools, the offer of a **single** school place will be made by the "home" LA, on behalf of the relevant admission authority. (See timetable for dates).

Parents should be aware that different LAs and Academies, Foundation, Free and Voluntary Aided Schools may have different admissions criteria, and therefore it is strongly advised that they ensure that they have understood the information that is available from each LA/School, before stating their preference on any application.

Please make contact with the Admissions Teams of any of the relevant LAs, if further information is required. (The addresses and telephone numbers of all the neighbouring LAs can be found in the Information for Parents Book.)

The Application and Closing Date

Parents are invited to state three preferences, and parents are also able to state the reasons, for their preference. All preferences are to **be treated as equal initially**, and sent out to other admission authorities (i.e. Academies, Foundation, Free and Voluntary Aided Schools, or neighbouring LAs) if appropriate, for consideration.

The closing date for the receipt of applications will be **15th January 2022**.

The Initial Allocation Process

By 11th February 2022, Worcestershire LA will send details to all of its Academies, Foundation, Free and Voluntary Aided Schools, for initial consideration. This information may need to be updated if information regarding further applications is subsequently received by other Local Authorities. Late applications will be forwarded upon receipt.

By 11th February 2022, Worcestershire LA will send all neighbouring LAs details of applicants for their schools, who will then apply their admissions criteria.

By 4th March 2022, Worcestershire LA will receive a ranked list from each of its Academies, Foundation, Free and Voluntary Aided Schools of all applicants. These lists will be compared to identify any pupils, who may have been offered more than one place. As **only the highest ranking school** will be offered, it may be necessary for Worcestershire LA to inform the Academies, Foundation, Free and Voluntary Aided school(s) that the place is not required, this will be notified to the school, as required.

This process will be ongoing (see section about late applications), along with exchange of information to neighbouring LAs – see timetable for dates.

Finalising the Allocation Process

Co-ordinated Admissions Scheme for First, Primary & Middle Schools in Worcestershire for 2022/23 Academic Year

By 31st March 2022, a final data exchange between Local Authorities neighbouring authorities, will take place, and any amendments to the listings for Academies, Foundation, Free and Voluntary Aided Schools will be notified as soon as possible.

On 16th April 2022, an offer of a school place will be made by Worcestershire LA, on behalf of the relevant admission authority, in the case of Worcestershire residents (even if the placement is for an Academy, Foundation, Free and Voluntary Aided School or a school in a neighbouring LA). **For families residing outside Worcestershire, who have applied for a place in a Worcestershire school, the offer letter will be sent by the “home” LA.**

The **single** offer will normally be the highest ranked school on the application form, at which a potential offer could be made.

In the few cases, where it may be not be possible to offer a place at any of the three preferences stated on the application, and the parent is a Worcestershire resident, a place will be offered at the catchment area school (if places are available), or the nearest available school with places, which includes Academies, Foundation, Free and Voluntary Aided Schools.

Late Applications including late changes to on time applications

Between 16th January 2022 and 28th February 2022, it is likely that a number of late applications will be received. The Council has agreed in its co-ordinated scheme to accept late applications, for Community and Voluntary Controlled Schools within Worcestershire, within this time-frame, and treat them as being on time, only in the following circumstances;

- a) where a family have just moved address, (refer to Section 8B of the Information for Parents book);
- b) where it is agreed by School Admissions, that individual circumstances apply and the delay was reasonable given the circumstances of the case;

In each case supporting documentary evidence will be required. In all other circumstances, or if the application is not received until after 28th February 2022, late applications (including late changes to on time applications) will receive a lower priority, and will only be considered after the applications received (or deemed to be) on time.

If the late application is for an Academy, Foundation, Free and Voluntary Aided School, or a school outside Worcestershire, it will be necessary to refer to the late application policy of the school or the LA, in whose area the school is located.

All applications received after 28th February 2022 for the intake year, must be sent to Worcestershire LA, and will be processed as soon as possible. An offer, or refusal of a school place, will be given by Worcestershire LA, on behalf of the relevant admission authority.

Waiting Lists

Waiting lists for Community and Voluntary Controlled Schools are maintained by the School Admissions Section, and parents need to apply, in order to be included. These waiting lists will be maintained until the 31st December 2022. Parents will need to reapply at the start of each term if they wish to be included on the list for the following term.

The waiting list is ranked in line with the published oversubscription criteria and is maintained until the 31st December 2022. Each child added to that list will require the list to be ranked

again in line with the published oversubscription criteria. Parents will need to reapply at the start of the following term if they wish to be included on the new waiting list for that term. Only on receipt of an acknowledgement letter from School Admissions will that child be on the list

Waiting lists for Academy, Foundation, Free and Voluntary Aided Schools are maintained by the individual schools and parents will need to contact the schools directly, in order to be included. Parents must consult the individual schools for details on the waiting list procedure.

The Fair Access Protocol

As part of the Worcestershire Fair Access Protocol, which can be viewed at the following link: [Fair Access Protocol \(opens in a new window\)](#), all schools with Key Stage 2, 3 and 4 classes can be required to exceed the published admission number to admit pupils covered by the Protocol.

Admission of children outside their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health, effectively in the year group below or above their chronological age group. In addition, the parents of a

summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1.

The admission authority for any school must make the decision based on the circumstances of each case and in the best interests of the child concerned.

In the case of a Community or Voluntary Controlled School the Local Authority will request the head teacher of the school to take account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely in order to reach a decision as to whether or not it is appropriate for the individual child to delay or accelerate their entry into school and be taught permanently behind or ahead of their chronological age group. The reasons for the decision must be clearly set out.

Even if delayed or accelerated entry is agreed, the normal admission arrangements apply and there is no guarantee of a place.
