Subgroup Highlight Report

Subgroup:	Right Support for Carers
Author:	Kate Webb
Date:	13.09.2023
Reporting Period:	July 23-Sept 23

What's gone well since last report?

- We have been busy attending all the LDPB subgroup meetings & reporting back to carers and gaining their feedback
- We continue to try to recruit new Carer Representatives by going to various support groups for carers
- We invited a representative from the new Adult front door scheme to the RSC meeting where they explained what they were trying to achieve.
- Fran K also attended a RSC meeting to explain about replacement care and the plans that were in place to help with this
- We are currently involved in the planning of the Safeguarding event in Nov which will focus on Carer wellbeing.

- We held a Carers Partnership meeting on 12.09.23 and invited someone from DWP to speak to let carers know what their entitlements are, they will be a regular attendee in future.
- We have had a discussion re hospital discharge and the impact on carers and a document that is currently being used by the NHS has been shared with us for review.

What will we have looked at by next report?

We are still in looking to hold some focus groups with regards to Carer assessments.

We are still working on the FAQ leaflet with regards to planning for the future

We will have feedback with regards to the Safeguarding event.

We hope to have fully reviewed the NHS document with regards to hospital

Problems and Risks

(Actual or potential problems and risks to be considered before the next reporting period)

- Carers continue to be very worried about the shortage of care staff.
- Carers are still concerned about hospital discharge
- Carers continue to share their concerns with regards to Financial pressures
- Identifying and getting more carers involved to have their say.
