

SCHOOLS AND THE CARBON REDUCTION COMMITMENT:

Cut energy, cut costs, empower learners and inspire communities.

**An event for Head Teachers / Business & Site Managers / Bursars
Senior Leadership Team / Eco Coordinators.**

Tuesday 19th October 2010, 9:00 to 13:45 (including lunch),
Bishops Wood Centre, Cost: £50

A half day Conference to:

- Introduce the Carbon Reduction Commitment and its implications for schools and Local Authorities
- Introduce the practicalities of energy and water metering and the County Council's new Automated Meter Reading (AMR) strategy
- Explore the potential for engaging and empowering learners through the wider curriculum

Speakers include:

- Richard Dunne ~ Head Teacher from Ashley Primary School (National Energy Award Winning School)
- Simon Francis ~ Department of Energy and Climate Change
- Chris Cakebread ~ Vision Energy Monitoring (worked on development of the Automated Meter Reading AMR systems going in to schools)
- Key support officers from Worcestershire County Council

Special Guest Speakers ~ teachers and learners from:

- The Chantry High School Energy Team
- Perdiswell Primary School Energy Team
- Defford cum Besford First School Energy Team

Presentations will also cover:

- Worcestershire County Council's hierarchy in looking at energy issues in schools
- The new Worcestershire County Council Spend to Save initiative

Booking deadline: Friday 1st October
