

Climate Change

In the June 2007 Citizens' Panel survey we asked you how concerned you were about climate change and whether you thought we should take action to tackle climate change in Worcestershire. The questions in this section aim to explore the findings from the last survey in more detail.

Q1 60% of you think that climate change is already having an impact in Worcestershire.

Listed below are possible impacts of climate change, for each option please tell us if you think they have already had an impact, they will have an impact in the future or you do not think they will have an impact on Worcestershire.

Please tick ONE for each a) to k)

Q2 63% of you said that you are doing all that you can to help limit the effects of climate change.

Please use the box below to describe what you are personally doing to limit the effects of climate change.

Q3 The options below provide examples of things you can do to reduce carbon emissions and help limit climate change.

Which of the following do you think help to reduce carbon emissions and limit climate change the most?

Please rank THREE options which you think help to limit climate change the most from 1 to 3, with 1 being the most effective.

Composting

In 2003, 48% of panel members told us that they compost at home. Over the last few years, the County Council have actively encouraged people to compost their waste and would like to find out how successful they have been. We would also like to find out what and how you are composting, and if you are not currently composting, what we could do to encourage you to.

Q4 Do you compost at home?

Please tick **ONE** only

a) Yes Go to Q7

b) No..... Go to Q5

Q5 Which of the following reasons explain why you do not compost at home?

Please tick **ALL** that apply

a) Don't know how to.....

e) Not enough time

b) Don't know where to get a compost bin from.....

f) Garden too small for a compost bin

c) Worried about attracting vermin/pests.....

g) Don't have a garden.....

d) Too messy/smelly

h) Not interested

Q6 What can the County Council do to encourage you to compost?

Please rank **TWO** factors from the list below by numbering the boxes 1 and 2, with 1 being the most encouraging factor

a) Continue to sell subsidised compost bins.....

d) Hold workshops on how to compost

b) Provide more information on how to compost.....

e) Nothing would encourage me to compost.....

c) Provide more information on the benefits of composting

f) I already compost as much as I can

g) Other

If other, please specify

Now go to Q12

Q7 Which of the following compost methods do you use?

Please tick **ALL** that apply

a) Open compost heap.....

e) Green cone/digester

b) Homemade compost bin

f) Wormery.....

c) Compost bin bought via a council scheme.....

g) Leafmoulder

d) Compost bin bought privately

h) Other

If other, please specify

Q8 Do you compost your kitchen waste? e.g. peelings, tea bags, egg shells

Please tick ONE only

a) Yes Go to Q10

b) No..... Go to Q9

Q9 Which of the following reasons explain why you do not currently compost kitchen waste?

Please tick up to THREE options from the list below

a) Nowhere to store it.....

e) Feed it to pets

b) Don't like the smell.....

f) Don't have much kitchen waste

c) Concerned about vermin/pests

g) No particular reason.....

d) It's easier to throw out with the refuse...
