Between February 2011 and Spring 2014 people receiving Incapacity Benefits, Severe Disablement allowance and Income support paid on grounds of illness and disability will be assessed for Employment and Support Allowance

This is a major change to the current welfare system. Nationally from Spring 2011, around 1.5 million people will be re-assessed over a 3 year period

Worcestershire Association of Carers is running a meeting for carers to hear more about these changes and the process of re-assessment from a member of the Job Centre Plus Team

If you would like to come please contact Judy Adams at Worcestershire Association of Carers, GF2 Polysec House, Blackpole Trading Estate West, Hindlip Lane, Worcester. WR3 8TJ.
