

# FOREST SCHOOL ENGLAND PRINCIPLES

1. Forest School is for all children and young people.
2. Forest School builds on a child's innate motivation and positive attitude to learning, offering them the opportunities to take risks, make choices and initiate learning for themselves.
3. Forest School is organised and run by qualified Forest School leaders
4. Forest School maximises the learning potential of local woodland through frequent and regular experiences throughout the year, not a one-off visit.
5. Forest School helps children to understand, appreciate and care for the natural environment.
