

WORCESTERSHIRE COUNTY COUNCIL EQUALITY IMPACT ASSESSMENT DESKTOP SCREENING

This exercise is not an Equality Impact Assessment (EIA). It is a desktop screening exercise designed to establish if you need to carry out an EIA. When completing the screening please use plain English avoiding the use of acronyms or jargon. Any documents referred to should be attached to this screening form.

Remember, throughout this exercise the term 'policy' (or 'policies') is used as shorthand for 'policies, practices, activities, strategies, plans, projects, procedures, functions and protocols'. It therefore needs to be interpreted broadly to embrace the full range of functions, activities, plans and decisions for which the County Council is responsible.

For help completing this desktop screening, please refer to the County Council's [EIA Guidance document](#) available on SID.
