

Friday Conservation Projects for Volunteers

Jan & Feb 2012

Date 13th January

Location [Berrington Quarry, glow worm site.](#) (SO 766 421, map 1). Park at Black Hill car park, Jubilee Drive. **NOTE! 10 minute walk to the site !**

Project On-going clearance of ash trees which are causing shading of glow worm habitat, which is flower-rich grassland.

Date 27th January

Location [Mill Pond Orchard, Golden Valley.](#) (SO 771 418, map 2). Follow the Gloucester Road (B4208) from Welland for approx. 3 miles until a sign on the left indicates 'Golden Valley' to the right. Follow MHC signs to the car park.

Project Planting several new apple trees, plus clearing the brambles from around some of the long established trees.

Date 10th February

Location [Parkwood, West Malvern](#) (SO 762 443, map 3). Park at the top of the Purlieu (by West Malvern Road) and have a lift, or walk (10 mins) to Parkwood. **NOTE ! Rough track for vehicles.**

Project Helping local coppice worker, Dave Jackson. Coppicing is a traditional form of woodland management that benefits many species including dormice.

Date 24th February

Location [Dingy Skipper Field, the Purlieu](#) (SO, 765 443, map 4). Park at the top of the Purlieu (by West Malvern Road) and have a lift, or walk (10 mins) to Parkwood.

NOTE ! Rough track for vehicles.

Project Clearing low-growing brambles from this old flower meadow to help the nationally rare dingy skipper butterfly.

Conservation days are held between 10 am and 4pm, but you are welcome to come and go at any time in between. Tools and refreshments are provided along with friendly guidance. You may like to bring lunch. Please have clothing suitable for practical work and changeable weather, plus sturdy boots. Children aged 18 or under and vulnerable adults should be accompanied by an adult. For further details please contact the Wardens on 01684 892002. We look forward to seeing you soon.
