

Local Business Event 17th June 2011

Worcestershire County Council - in partnership with Business Link in the West Midlands, the county's six District Councils, and Worcestershire Acute Hospitals NHS Trust. - held a special event aimed at showing local companies how to do business with the public sector.

The event highlighted the many opportunities to sell to the County Council or its partners.

Involving:

- A "meet the buyer" session
- Maximising the day's potential for networking by keeping formalities to a minimum
- Understanding the processes and opportunities
- Preparing firms to understand how to bid for business and be procurement-ready
