- Join the chain gang race
- Visit the land of the Zorks
- And many more!

Get close to the woodland wildlife in your own special "magic spot"

Become Artists, Scientists and foxes, and meet Dudley the Dragon

Evening art and craft workshops including environmental art, print making, composting, growing food etc.

Evening camp-fires with songs, stories and sketches

Discover the secrets of the Forest at night on the night-watchers patrol.

Camp with your friends old and new

Learn how to help your family to help the earth!

There are some places for parents wishing to enjoy some of these activities and work on reducing the carbon footprint of their family.

The Bishops Wood Centre

Set in 70 acres of ancient woodland, meadows and ponds, are a range of award winning eco-buildings housing the internationally renowned centre.

The young participants will sleep in tents along with others of their own age.

Parents wishing to join us can bring their own tents though a limited number of tents may be available for hire.

Meals will be wholesome and made with locally grown ingredients whenever possible, cooked in our camp kitchen.

Some reviews from participants

"I made so many new friends from other schools"

"The campfires each night were so good I lost my voice on the third night from singing so loud!"

"Bishops Wood Centre is awesome. I wish I could live there"
