

Step by step guide on how to keep safe when someone calls at your door

The Wednesday Comet Group have designed a step by step guide on how to keep safe when someone calls at your door:

GUIDE.pdf

The Wednesday Comet Group is a group of people who live in Malvern and have learning disabilities. We help each other speak up about issues in our lives. We try and change things for the better for everyone who has learning disabilities. And we support our members when they have problems at home, at work or at day centres.
