

Whether you are interested in learning for leisure, personal achievement or gaining a skill for work, we can offer you pathways into learning that can lead to new horizons, challenges and employment prospects.

Worcestershire County Council removes barriers to learning, ensuring learning takes place in a relaxed and pleasant environment.

If there is a charge for a course of interest to you, then you may find that you are eligible for a FREE course depending on your circumstances, for example:

- **FREE course** for anyone on income based benefits
- **FREE course** for anyone embarking on their first Level 2 qualification (19+ years old)
- **FREE course** if you are accessing a Literacy, Language or Numeracy programme

If you are on an income-based benefit, your course will usually be free. Examples of income based benefits are: Housing Benefit, Income Support, Job Seeker's Allowance, Council Tax Benefit, Pensions Guarantee Credit and Working Tax Credit (household incomes under £15,050). Please note that there are some courses to which concessions don't apply.
