

Dear Colleague,

Welcome to Worcestershire Schools Forum (WSF)

Welcome to the web site of the Worcestershire Schools Forum (WSF) and thank you for visiting. Please take some time to browse and study the information contained within the site.

Given the increasing complexities and changes to the national and local funding systems for schools and the Local Authority (LA) the information on the site will continue to be revised and updated to ensure it provides the necessary information on the most up to date issues relating to school funding.

The WSF have endeavoured to bring together in one place the key aspects of its workings together with details of the national framework within which it has to operate. We hope you find the web site useful and if you have any queries or suggestions for the site then please do not hesitate to get in touch with any of the key contacts listed below.

**With very Best Wishes,
All Members of the WSF**
