**Part two:** the test to see if further action is required. For the purpose of this exercise concentrate on the impact on people of differing race, sex, disability, age, religion or belief and sexual orientation.

		Yes	No	Details
2.1	Is there any way in which the policy/function is directly discriminatory or in breach of the Council's Equality and Diversity Policy?		X	Information regarding the provision of transport is available to all. Any enquiries received from anyone regarding this provision is given full details regarding their specific request and what the Authority's policy is regarding their enquiry. Information is provided by phone, letter, email, fax, website, leaflets to any enquiry that can be met by the Council's Freedom of Information Policy and could be about transport eligibility, transport correspondence and general enquiries.
2.2	Are there any barriers to people from minority groups getting the full benefit of this policy/function which have not been resolved as part of the policy/function?		X	See above
2.3	Are there any other ways the policy/function could unintentionally deliver poorer quality outcomes for individuals because they were members of a minority group?		X	See above
2.4	Could people from minority groups reasonably believe that they would be likely to get poorer benefits from the policy/function?		X	See above

If the answer to any of these questions is yes or "could be yes" then you **must** take action. If the issue is straightforward remedy it **now** so the answer changes to no. If it cannot be remedied now or there are outstanding issues you should go on to a full EIA.
