

WORCESTERSHIRE RECORD OFFICE

POLICY STATEMENT ON INCOME GENERATION

The Record Office currently generates income in a number of different ways. These include panel-researcher fees, sale of publications, photocopies and certificates, storage of District Council records, microfilming service, conservation and repair and donations.

'Through the door' charges have often been considered but have thus far been rejected.

POLICY STATEMENT: The Record Office will aim to generate the maximum possible income consistent with the professional work of the Office.
