WORCESTER ASTWOOD ROAD CEMETERY AND CREMATORIUM

NOTES

- 1 These registers contain the following information - number, name, description (ie marital status/ occupation), residence, place of death, age, date of burial, by whom ceremony performed, number of grave, whether in consecrated ground or not, and signature of registrar.
- 2 The above also includes a register of service burials, 1940-1948.
- 3 These show the number and situation of grave or vault, name and age of person buried, date of internment, fee and number in register of burials etc.
- 4 These show grave numbers and some names. There are 3 aperture cards of most of the plans; one of the whole plan and then enlargements in 2 halves. Sections of the cemetery contain grave numbers in one main numerical sequence, but there are a considerable number of blocks of graves out of sequence on the plans.

WORCESTER ST JOHN'S CEMETERY

NOTES

- 1 The above includes a register of service burials 1939-1947.
- 2 These show grave numbers and some names, These are 2 aperture cards of most of the plans, one being an enlargement. Blocks of grave numbers form several numerical sequences on the plans. At least one plan was not available for microfilming so some grave numbers are missing especially 5800's - 6600's. The Manager, Astwood Cemetery, should be consulted regarding any queries.
3. Some numbers have been deleted.
