

TRANSCRIPTS OF PARISH REGISTERS

The transcripts of parish registers are arranged on the shelves in alphabetical order of county.

Within each county, published volumes containing more than one parish are placed first, followed by individual parish volumes in alphabetical order.

The following pages list the volumes in order of arrangement, the type of entry, and the dates covered.

Abbreviations:-

B Burial

BT's Bishop's Transcripts

C Baptism

G General, i.e. baptisms, marriages and burials

M Marriages

Under Lord Hardwicke's Marriage Act (1753) marriages had to be recorded in a separate register. After 25 March 1754 general registers only recorded baptisms and burials.
