

INSPIRING WORCESTERSHIRE “CAREERS CHAMPIONS” NETWORK

STUDENT OVERVIEW

Students can play a very important role in the development and organisation of Careers related activity which takes place within school.

Having students involved in this activity can help ensure that young people receive the information they need to make informed decisions about the next steps on their journey through education but more importantly provide them with an excellent understanding of the world of work and the job roles that could be available to them.

would like to develop our own CAREERS CHAMPIONS network.

The Careers Champions would be tasked with supporting the school careers team to organise and help facilitate careers activities taking place within school across the academic year and across ALL year groups.

OUR CAREERS CHAMPIONS COULD BE ASKED TO SUPPORT THE FOLLOWING ACTIVITY:

1. Support the careers team to make direct contact with employers required to support careers / curriculum activity due to take place within school.
2. Help encourage and increase the delivery of careers activity across ALL subject areas.
3. Obtaining feedback from fellow students and participating Employers on the career's activities delivered within school.
4. Creation of bespoke careers related handouts / information made by students for students
5. Embedding careers activities within other School Visits
6. Feedback to Head Teacher / SLT / Governors about careers activities within school

WIDER BENEFITS FOR PARTICIPATING STUDENTS

Participation within this initiative will provide you with a variety of new and vital skills which will help you with your preparation for the world of work. You will also be able to add this volunteer role to your CV which will help you stand out to a future employer. Being part of our small team of Careers Champions will also help you learn more about project management, improve communication skills and learn other vital employability skills.
