Evesham Transport Study

Worcestershire County Council are conducting surveys into the travel patterns of people around Evesham. This information will be used in developing a Transport Model which will be used to plan future transport provision in the area. As part of this we require details of individual journeys including the exact address of where people are travelling to and from. Please complete the questionnaire in relation to the journey you were making when you received this form and return to the Freepost Address overleaf. To ensure total confidentiality the results of the survey will contain no details of or reference to any individual journey. Your participation is greatly appreciated, many thanks.

All completed questionnaires will be entered into a prize draw. One questionnaire will be drawn for a prize of £50, this will be doubled to £100 if the questionnaire is returned within seven days of issue. If you wish to enter the prize draw please complete Question 7.

Time of Issue (Office use only)	Q1 - What type of vehicle were you driving?	Q2 - How many people were in the vehicle, including the driver?	Q3 - Would you please tell us the exact address you had JUST co before being stopped? Include the postcode if possib
