INSPIRING WORCESTERSHIRE

CAREERS ACTIVITIES LINKED TO KEY INDUSTRY SECTORS

OVERVIEW

This series of activities will aim to support Careers and Subject leaders with the ability for students to develop their understanding of careers within a variety of KEY Industry sectors.

These activities have been designed to focus on Worcestershire's KEY GROWTH sectors. These are the sectors where there is believed to be an increased need for young people to enter these industries in the future.

This series of resources will cover the following sectors:
> Engineering
> Construction
> Creative
> Information Technology
> Hospitality and Tourism
> Agri-Tech and Agriculture
> Healthcare

Each set of resources will provide Careers and Subject leaders with a resource which will cover both Key Stage 3 and Key Stage 4.

Where possible the resources will also include some short video clips which will align with the industry sector.

KS3 activities will allow students to investigate types of job roles and entry routes into employment and then use LMI to explore job profiles information.

KS4 will cover the same activities as KS3 however they will be required to undertake additional research activities using LMI or develop their learning opportunities further by completing additional written tasks.

LINKING TO GATSBY BENCHMARKS

This activity will provide links to the following Gatsby Benchmarks:
> Benchmark 2
> Benchmark 4
> Benchmark 7

SUPPORT ON OFFER FROM HUB DELIVERY TEAM

The Worcestershire Careers Hub Delivery Team will produce 2 x resource documents for EACH industry sector which can be used by careers leaders to support the facilitation of this activity.

The 2 x resource documents will be specifically focused on activity covering KS3 or KS4.

The 2 x resource documents will allow students to complete these activities on a computer where they can enter their answers / research results into a free text area or provide careers leaders with the opportunity to provide these as a printed version which can be distributed to students within a classroom environment.

These documents can also be found on the Skills for Worcestershire Website.
