

LEWIS ELLIS - THE APPRENTICE BECOMING AN ENTREPRENEUR

OVERVIEW

This activity will enable hub member schools the opportunity to engage with students to increase their understanding of the many different pathways open to them once they have finished their journey through education. This series of Careers related activities focuses on those young people who may wish to start their own business or are already a budding entrepreneur.

These activities can be conducted during lessons, while working remotely or as part of homework activities.

The Worcestershire LEP recently met with Lewis Ellis who recently participated within the BBC's hit series "The Apprentice".

Lewis kindly took the time to record 2 x videos in which he explained his journey so far and provided another which offered some useful hints and tips for young people.

SUPPORT ON OFFER FROM HUB DELIVERY TEAM

The Worcestershire Careers Hub Delivery Team will produce 2 x resource documents which can be used by careers leaders to support the facilitation of this activity.

The 2 x resource documents will be specifically focused on activities covering both KS3 and KS4.

The 2 x resource documents will allow students to complete these activities on a computer where they can enter their answers / research results into a free text area or provide careers leaders with the opportunity to provide these as a printed version which can be distributed to students within a classroom environment.

These documents can also be found on the Skills for Worcestershire Website.
