

# Local Area Agreement - Overview of Indicator Assessments

Outlook at the end of 2008/09

For each of the performance indicators within the LAA, an assessment of current performance using a traffic light system is made. >Green (on course to meet the target) >Amber (the target is not on track to be achieved - remedial action required) >Red (the target will not be met).

These assessments are combined to give an overall 'outlook' for each outcome.
