

LATE APPLICATION FOR TRANSFER TO A HIGH SCHOOL FOR CHILDREN RESIDENT IN WORCESTERSHIRE FOR SCHOOL INTAKE SEPTEMBER 2020.

SA1 Form
2020/2021

Important Notes to be read before completion of the late admission application form.

Please read these notes in conjunction with the **Information for Parents book**. The book contains important information, which you need to read and understand so that you can complete this form. Not all information is on this form itself, so you must read the book as well.

The book is available to view online at www.worcestershire.gov.uk/schooladmissions.

Where application is being made to an **Academy, Foundation, Free or Voluntary Aided School** it is **essential** that you refer to the **School Prospectus**, available from the School.

***NB If you are unsure as to the different types of school or require details on individual schools, this information can be viewed in the Information for Parents book at the website address above.**

Note 1 - Late Applications - including Late Changes to on time applications.

Places in High Schools are allocated on the basis of applications made on or before the closing date of 31st October 2019.

For Community and Voluntary Controlled Schools within Worcestershire the Council has agreed in the co-ordinated scheme to accept late applications (including late changes to on time preferences) made before 31st January 2020 and treat them as being on time, **only** in the following circumstances;

- a) where a family have just moved address (e.g. Between 1st November 2019 and 31st January 2020)
In order to qualify as living within a catchment area of a given school please refer to Section 8B of the 2020/2021 Information for Parents book for guidance, available to view online at www.worcestershire.gov.uk/schooladmissions;
- b) where it is agreed by School Admissions, that individual circumstances apply and the delay was reasonable given the circumstances of the case;

In each case independent supporting documentary evidence will be required. **In all other circumstances, late applications will receive a lower priority, and will only be considered after the applications received (or deemed to be) on time.** For Academy, Foundation, Free or Voluntary Aided schools, or a school outside Worcestershire, it will be necessary to refer to the late application policy of the school or the LA in whose area the school is located.

Note 2 - Parental responsibility

Should more than one parent have parental responsibility for a child, both parents should be in agreement over the preferences expressed prior to the application being submitted. Failure to ensure agreement prior to submission, may result in a delay in the application being processed and in some instances a legal resolution may be required. When submitting your application, as part of the terms and conditions, you will be required to confirm that parents are in agreement with the preferences expressed. If it is subsequently determined that agreement was not made prior to the application being submitted, it could result in the withdrawal of the offer of a place, if it is determined that the information supplied was misleading or fraudulent.

Note 3 - Change of Address

If you are moving address, you must notify the Headteacher and School Admissions of any change to your child's home address as this might affect your application. Please refer to the Information for Parents book for details on late changes of address. Any change of address will require independent supporting information to be provided with the application on or before the 31st January for High Schools, for full details please refer to the Information for Parents Book.

Note 4 - The catchment area school

In all cases, you are advised to refer to the Information for Parents book which sets out the importance of knowing the catchment area school for your child's home address. If you are unsure of your catchment area school(s), you can find out by either telephoning: **01905 822700** or by visiting **www.worcestershire.gov.uk/schooladmissions** and following the link to school catchment areas.

Note 5 - Children of staff at the school

Please note that in order to qualify for this category, the member of staff must have been employed for 2 or more years at the time of application or recruited to fill a vacant post for which there is a skill shortage.

Note 6 - Applications to Academy, Foundation, Free and Voluntary Aided Schools

If you are applying for a place at an **Academy, Foundation, Free or Voluntary Aided School** you are advised to check that this is the school serving your area.

- If you are applying for a school place at a **Catholic School** please complete **Section E**.
- If you are applying for a school place at a **Church of England School** please complete **Section F**.

It is **essential** that you refer to the school's prospectus for further details relating to **Late** admission arrangements as you may wish to include relevant information in **Section D** of this form. Admissions are the responsibility of the School Governing Body.

Note 7 - Applications to Community and Voluntary Controlled Schools

Admissions to Community and Voluntary Controlled Schools are administered by School Admissions. The Headteacher of the school involved is not in a position to offer your child a place;

All preferences for all types of schools will be treated equally, and places are allocated in accordance with the published admissions criteria.

Admission of a child to a school of your preference does not mean that younger siblings will automatically gain admission to the same school.

Note 8 - Transport

Details of Worcestershire County Council's transport assistance policy are explained on the Worcestershire County Council website at the following address:

www.worcestershire.gov.uk/homepage/18/school_and_college_transport

- Please be aware that any transport arrangements approved for this application will not set a precedent for siblings. Each application for transport will be dealt with on an individual basis. The information contained on this application may be shared with School Transport to aid in their planning and assessment.

Note 9 - Withdrawal of Application

You should inform School Admissions as soon as possible if you are withdrawing your application for any reason.

Note 10 - Additional Information

Please note that, if your preferred school is oversubscribed, admission authorities have to use a fair method of deciding how places should be allocated. For **Academy, Foundation, Free and Voluntary Aided schools** it is essential that you refer to the relevant **School Prospectus** for details relating to the admission arrangements and definitions. For **Community and Voluntary Controlled Schools** please refer to the Information for Parents book for the admission policy and definitions.
