

Kidderminster Active Travel Corridor

This proposed scheme involves the comprehensive widening and resurfacing of this well-used canal towpath (Staffordshire and Worcestershire Canal) that links Stourport with Kidderminster, as well as a number of links into nearby trip attractors including the Minster Road Employment Area, Silverwoods, Churchfields, Crossley Retail Park, Stourport and Kidderminster Town Centres (with onward connections to Kidderminster Rail Station), This proposal would also include a comprehensive waymarking investment and installation of permanent walking and cycling counters for ongoing monitoring.

This map shows phase 1 and phase 2 of the works for the Kidderminster Active Travel Corridor as described above.
