For staff with access to the Internet, up-to-date bus routes and timetables can be found at:  
[www.worcestershire.gov.uk/bustimetables](http://www.worcestershire.gov.uk/bustimetables)

## How the scheme works

- The Entitlement Card scheme is for use by companies or organisations that have a Sustainable Travel Plan registered with Worcestershire County Council and not for individuals.
- To enquire about creating your Travel Plan, please contact the Workplace Travel Planner at [travelplan@worcestershire.gov.uk](mailto:travelplan@worcestershire.gov.uk) or call 01905 765765.
- The nominated person in your organisation will be sent the Entitlement Cards for internal distribution.
- Each Entitlement Card will have a unique id. This will be assigned to the member of staff receiving the card and monitored by the organisation.

- The Entitlement Card entitles the holder to a discount when using the ticket machines at Perdiswell and Sixways Park & Ride sites and on travel tickets purchased en route for W1 and W2 services only.
- On receipt of Entitlement Card, individuals can make applications for Monthly or Annual season discounts directly to:
