## Plan Rules

Key Issues arising from Danger Statement(s)	Existing Safety / What is Working well?	Stressors and Triggers	Indicators Danger is emerging or present (red flags)	Who will do what when problems
				arise?

Victoria and Adam said when they spent time with their dad , he has hurt them and shouted at them.	In June, Victoria and Adam stopped spending time with their dad;. Victoria is now speaking to Dad via WhatsApp. The children say they are happy living with their mum and don't want to see their dad at the moment.	When dad's home is very busy and Victoria and Adam are not doing as they are told, dad can get angry and shouts loudly at them.	Victoria and Adam will be at dad's feeling scared, worried and sad or they could have been hurt.	Victoria and Adam would call their mum to fetch them straight away
Dad and step mum Sharon can row with mum in front of Victoria are Adam, if dad sees them.	Mum does not respond and tries to walk away from any incidents, Mum has no communication with dad	The trigger is dad seeing the children with their mum	If dad and Sharon have come to the house or bumped into them and are shouting and arguing in front of the children. Victoria and Adam are feeling scared or worried	Mum would call the police if dad or Sharon became scary
