

## Energy Company Obligation measures that can be accessed through Warmer Worcestershire

A referral route is available for the following measures for qualifying householders by contacting Act on Energy 0800 988 2881. Funding cannot be guaranteed and may be withdrawn at short notice by providers. There is no guarantee that the funding available will cover the full cost of any measures. Funding and installations are subject to technical feasibility study and legislation which may require multiple measures be installed to qualify for funding. The funding is not provided by Warmer Worcestershire.
