Subject: RE: Seeking Comments - Proposed Quarry at Land at Lea Castle Farm - Ref: 19/000053/CM

Hi Paul,

I'm not supportive of this application from an arboricultural or landscape perspective. The quarry will require a number of mature protected trees be removed, which I would not like to see happen. There are also many other trees on the site which will be taken out too, which will have a detrimental affect on the local landscape.

Best wishes
Alvan

Dear All,

Please can you provide me with your comments so by the end of the month so that I can co-ordinate a response to the County. This will need to be a committee item I think.
