Subject: RE: Lea Castle Objections

Dear Steve

Further to our telephone conversation, I can confirm that WRS have no further comment to make on noise or dust.

As stated in our original response, WRS are satisfied with the development's onsite dust and noise impact strategy, and as long as the WRS recommendations are appropriately conditioned, WRS believe that the strategy should be strong and flexible enough to deal with any subsequent issues.

Kind regards
Joe

Joseph Geesin
