Please note that the Ramblers consultee (MR Bostle) has moved from the area and, for this application, I am replying on behalf of the Ramblers and the MHDFS.

We are content with the revised PROW proposals as described in the PROW proposals document KD.LCF.033 of September 2020 and the PROW advice given in the response to the CPA queries raised in June 2020.

We have no objection to this application.
