Proposal: Proposed sand and gravel quarry with progressive restoration using site derived and imported inert material to agricultural parkland, public access and nature enhancement

Location: Land at Lea Castle Farm, Wolverley Road, Broadwaters, Kidderminster, Worcestershire

The applicant is seeking planning permission to extract approximately 3 million tonnes of sand and gravel over a total of 6 phases. The land would be progressively restored using site derived and imported inert material to agricultural parkland, public access and nature enhancement.
