Subject: RE: Dust / Air Quality Monitoring - Lea Castle Farm Quarry

Dear Steve

Our ref: 20/01248/PLAN
Your ref: 20/01248/PLAN

There is an un updated Non-Technical Statement (July 2021) is on the planning portal No. 157 with the proposal to carrying out dust monitoring that I don't recall seeing before, I have no objection to a condition for dust monitoring as it will re-enforce the mitigation measures.

If you have any further queries, please do not hesitate to contact me.

Regards

Neil
