Dear Steve,

Thank you for sending us details of this application. We note the contents of the most recent submissions and we do not wish to add to our previous comments at this stage. For the avoidance of doubt, we do not wish to object to the application and we remain content to defer to the opinions of the Council's in house ecologists for all on site biodiversity considerations.

I hope that these comments are of use to you but please do not hesitate to contact us again if we can be of further assistance.

Best Wishes,

Steve
