

Step to Making a Bed

1, Place flat or fitted sheet on to the mattress

2, Optional- place flat sheet over bottom sheet folding down the top section.

3, Tuck the 3 side under the mattress.

4, Insert duvet into the cover, ensure the buttons are fastened. Place over bed.

5, Insert pillows into pillow cases, place at the head of the bed.

6, Smooth everything down and place on decorative cushions
