

Steps to getting a promotion

1. Make your boss' job easier.
2. Work on your communication skills.
3. Ask how you can improve.
4. Be nice.
5. Recognise others.
6. Communicate with your boss.
7. Bring in revenue.
8. Pay attention to others that have been promoted.
9. Become more resilient.
10. Create value where you can.
