## RECORD OF OFFICER EXECUTIVE DECISION

Item	Outcome
<b>Date Of Decision</b>	24 January 2020
<b>Decision Maker</b>	Dr Kathryn Cobain, Interim Director of Public Health
<b>Brief Description Of Decision</b>	The decision has been made to transfer the function and affected staff in scope for commissioning Children's Community Health services from the Council to the Herefordshire & Worcestershire Clinical Commissioner Group (H&W CCG) with effect from 1 April 2020.
<b>Reason(s) For Decision</b>	The commissioning of NHS Children's Community Health services is arranged under a Section 75 agreement between the Council and the Clinical Commissioning Groups (CCGs) and the function and staff have been hosted within WCC. Legally the function could not be delegated to or transferred into Worcestershire Children's First. The function and team were moved to Public Health, People Directorate when Worcestershire Children First commenced.
<b>Alternative Options Considered And Rejected</b>	Retaining hosting of the team in the People Directorate. This was not possible as the staff must report to a CCG member of staff as this is the 'responsible commissioner'
<b>Any Conflict of Interest declared by a consulted Cabinet Member/ any dispensation granted</b>	N/A
