Centres not part of the formal consultation:

WANDS @ Westlands First School:

The Parenting and Family Support provider will continue to deliver services at and from this centre alongside childcare and health provision.

Greenwood @ Wychbold First School:

This centre is currently used as an office base and for occasional meetings. The school will take over the lease from the Early Help provider and will continue to make the building available for multi-agency professional meetings as well as supporting the school's own needs. There is no direct impact on session based activity.

Blossom Vale @ Abbey Park First School:

The Parenting and Family Support provider will continue to deliver services at and from this centre.

Orchard Vale/Spring Vale @ Evesham Nursery School:

Since the launch of the formal consultation discussions have been held between the outgoing Early Help provider and the Nursery to agree the continued use of the building. There is agreement to continued use of the centre for health provision, use of the main activity room for nursery sessions (weekday and term time only) and use of the main activity room by the Parenting and Family Support provider outside of these times. Discussions are ongoing with the Nursery to transfer the lease to them as the main users of the site.
