

# Waste Core Strategy for Worcestershire

## EMERGING PREFERRED OPTIONS CONSULTATION

- The Waste Core Strategy will set out the ground rules for waste disposal facilities in the county until 2027. The final version will be used by our planners when they make decisions about the facilities we want for our county.
- We're working on it right now and we'd like to know what you think about our ideas so far.
- To tell us what you think, please read the draft Waste Core Strategy - or the summary, since it's quite a read! - and answer the questionnaire afterwards.
- You can find the documents and the questions at:  
**[www.worcestershire.gov.uk/wcs](http://www.worcestershire.gov.uk/wcs)** or call **01905 766374** to request a copy.  
You can find them in your local library or district council office too.  
**The consultation ends on 4th February 2010.**
