

WORCESTERSHIRE COUNTY COUNCIL

RECORD OF MEMBER DELEGATED DECISION

AMENDMENTS TO AUTHORISATION OF COMPULSORY PURCHASE ORDER RELATING TO IMPROVEMENTS TO THE WORCESTER SOUTHERN LINK ROAD

Date Of Decision	20 April 2015
Decision Maker	Mr S E Geraghty, Cabinet Member with Responsibility for Skills, Economy and Infrastructure.
Brief Description Of Decision	To accept the recommendations set out in the "Amendments to Authorisation of Compulsory Purchase Order Relating to Improvements to the Worcester Southern Link Road" report.
Reason(s) For Decision	Approval of the recommendation would ensure that the information contained within the amended CPO documentation, including the Statement of Reasons and accompanying plan, would accurately reflect the land and rights which the Council needs to acquire to carry out the proposed improvements to the Southern Link Road. The extent of these rights has changed since the original documentation was drafted as some of the land has since been acquired through negotiation and some further rights have been identified that need to be acquired. It is important that all and only those rights that are necessary for the scheme to proceed are acquired.
Alternative Options Considered And Rejected	The CPO documentation and plans could have been submitted without the recommended revisions, however, this option was rejected for the reasons outlined above.
Any Conflict of Interest declared by a consulted Cabinet Member/ any	None identified.
