What are we doing?

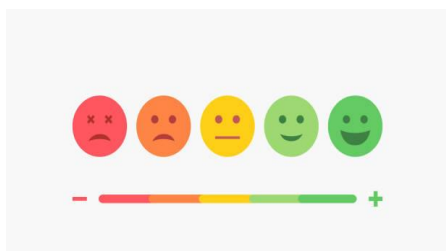

Building together is our new coproduction strategy to improve your services.

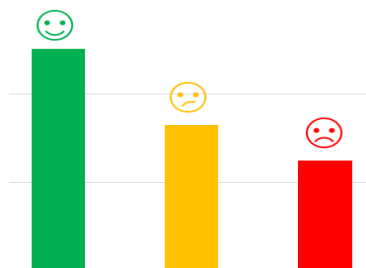

We had a lot of people tell us what they think of our services!

We asked everyone the same 4 questions!

What did people say?

I feel I have a say in my care and support services?

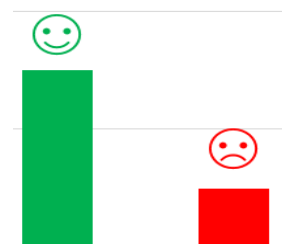

- 😊 Half the people and carers were happy all or most of time
- 😐 Third of the people and carers said some of the time
- 😞 The remaining people and carers felt they did not have a say

Do you feel involved in designing, reviewing, and monitoring services?

- 😊 Half the people and carers were happy all or most of time
- 😞 The remaining people and carers felt they did not have a say

I would like to use services that are designed by people who use services, carers and professionals?

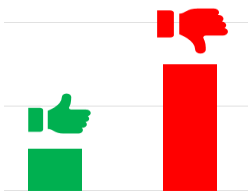

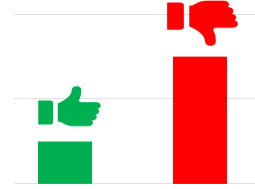

Most people said they would like to use services designed by people who use the services, carers and professionals

How would you like to be involved?

Around **10%** of people said they would like to be involved

Third of people would like to receive a Newsletter
