

Appendix G - Market Way, Hagley ideas for measures

The map below show Market Way, Hagley and plots the ideas for future preventative measures.

Map legend

A blue line shows asset registration points

Asset Registration Lines

- A thin red line shows a bridge
- An orange line shows a culvert
- A thick red line shows a drain or highway drain

Ideas for measures include:

- Remove raised earth to create overland flow route back into the watercourse
- Promote maintenance of watercourse in unregistered land
- Upsize the current 375mm twin culverts
- A proper trash screen
- Explore bypass to Market Way culverted watercourse
- Remove fence from brook line to increase conveyance
