

# Become an NOCN Centre

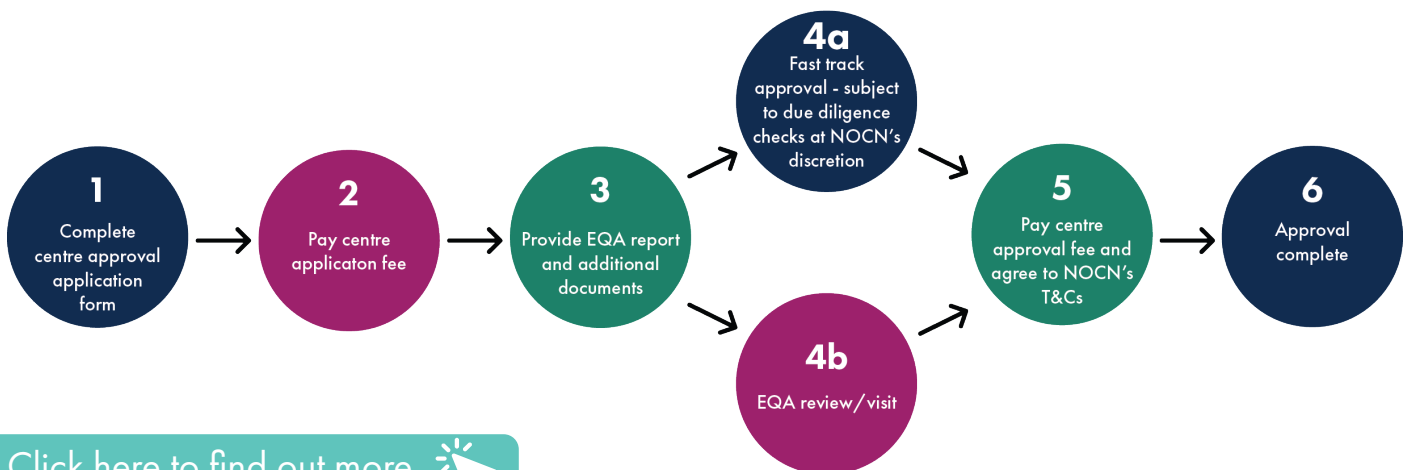

PART OF **nocn** GROUP

## We offer:

- A wide range of qualifications and EPA standards, from construction to productivity, bespoke and regulated, for UK and International centres.
- Friendly, personal support by named colleagues, to make your life easier.
- Flexible products and services offered to suit training providers, employers and learners, delivered remotely and within centres.
- A partnership approach with centres, suppliers and stakeholders, working together to build future skills.
- Stringent internal quality procedures, to uphold standards in education and skills.
- And we are a Leader in Diversity and Investor In People, because our people matter as much as yours.

## Become a centre process:
