

JOB DESCRIPTION

Mental Healthcare Assistant - TDM Consulting

£12-£13 an hour

Part-time

We are looking to expand our team of Mental Healthcare Assistants to work with our clients in the secure units within NHS and Private Hospitals. Are you looking for a flexible post to give you a better work/life balance or do you want to top up your earnings with extra shifts as a Mental Healthcare Assistants? It would be beneficial if you had access to your own vehicle but this is not a mandatory requirement. Whether you're looking for flexible full time hours or just a bit of extra work we work around your availability we offer you shifts to suit your lifestyle.

Experience and skills that you will need:

- Six months recent experience
- Strong communication skills
- Providing high standard of compassionate care to patients
- Meet compliance requirements including DBS and satisfactory references
- Proof of immunisations

As a Mental Healthcare Assistant, we can offer you a variety of regular or adhoc shifts in NHS and Private Hospitals across the UK, covering all general wards and excellent rates of pay we offer a range of additional benefits including:

- Competitive rates of pay
- Local work
- Holiday pay and entitlement
- Pension Contributions
- Mandatory training
- Weekly payroll service
