

WHAT IS...

AN NVQ

What is an NVQ?

NVQ stands for National Vocational Qualification. An NVQ is a sector-specific qualification which ranges from level 1 up to level 5 and are equivalent to academic qualifications such as GCSEs and A-Levels.

Why study for an NVQ?

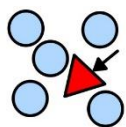

- > NVQs give many people the opportunity to work and achieve a qualification at the same time. They are usually studied part-time and can be taken as a stand-alone qualification, or as part of an Apprenticeship.
- > NVQs offer proof that you can do a job to the required standard.
- > NVQs allow you to progress at your own speed.
- > NVQs are sector-specific qualifications. They are available for a huge variety of careers across a wide range of industry sectors, ranging from hairdressing and engineering to policing and design.
