

WHAT IS...

VOCATIONAL TECHNICAL QUALIFICATION (VTQ)

What is a Vocational Technical Qualification?

VTQs are practical qualifications for over 16s. They are designed to help develop skills needed to move into employment or onto higher level qualifications. They might be suitable for students who have an interest working in a particular industry and are practical and workplace orientated. There are over 2000 subjects for you to choose from.

Types of VTQs

There are a few different types and levels of VTQs,

including:

- > BTECS: Level 1 To 7 qualifications
- > Cambridge Technicals:
- > Diploma
- > T Levels
