In addition to these enhancements, from January 2025 First Bus will operate the Droitwich services. This will enable residents from Claines, Fernhill Heath, Chawson and Primsland to benefit from better cross-town links to the employment sites in Droitwich. Residents of Primsland will see frequency enhancements for using the new 19 and 157 services Monday through to Saturday into town, alongside additional peak time trips on the 20 service.
