

to such peaceful and tranquil areas to walk. Traffic along the Wolverley road is so heavy and fast flowing its nice to get away from the noise. Ive lost count of how many miles I have walked around the site of the proposed quarry. I was so shocked when I first found out about the plans for a quarry to be situated here.

With so many houses in such close proximity and also more scheduled to be built. The local infrastructure is not equipped for such heavy vehicles or the amount there would be. To get to this stage where it has been rejected in law is totally ludicrous and shows that NRS Aggregates are prepared to keep throwing money to the courts until they win. P.T.O

Dear Inspector,

I moved to this side of Kidderminster 3 years ago when I bought a 50% share of a shared ownership house. The first thing that I noticed as I explored my new neighbourhood was that I was less than a 5 minute walk to the most beautiful walks around the Wea Castle area towards Cookley and Wolverley. Having a dog, I was especially thrilled to know I was so close

Personally I use the special place to unwind and relax from the pressure of every day life and would be devastated to see it passed. Please hear all our
