

# LEA CASTLE PROPOSED QUARRY OBJECTIONS BY:

LINDA BRAKEMORE

4/11/24

STEPHEN BLICK

19 THE GRESSENT

COOKLEY

WINDERMERE

DYO 3RY.

1. A number of accidents have occurred at the junction of the A449 & Noverley Road. Increased traffic will add to this.
2. The additional traffic from the quarry added to the 600 home development at Lea Castle is a concern and the additional 800 houses to be built.
3. There have been a number of accidents on the A449 and quarry traffic will add to this too.
4. Exiting and egressing the crescent is getting more difficult. Added quarry traffic will increase this problem.

## 2. BLAKEMORE / BRICK

5. The increase of air and noise pollution is a major concern to the local environment and local schools and homes.
6. The increased demand on existing road surfaces by heavy lorries is a concern. Roads are already under too much traffic and will the quarry company pay for road repairs, etc.
