

ASC25017 Learning Disabilities Replacement Care Preliminary Market Engagement

1. Name of service provider and provider CQC ID number.
2. Contact name and email address.
3. Would you be interested in offering a learning disability care home replacement care provision in Worcestershire?
4. If this would be from an existing location, please share the care home name/s and CQC location ID/s of the property which could potentially offer this.
5. Please tell us about any experience you have of delivering this type of support in other areas, including any experience of TUPE transfer of services from a local authority.
6. What is the approximate fee per week you would be able to deliver this provision for?
7. Do you have any comments about the type of contract used to commission the replacement care e.g. spot purchased, block contract etc.?
8. Please provide further comments/information (optional)
