#### **Order Preliminaries**

This Order is made by Worcestershire County Council ('the authority') under Section 119 of the Highways Act 1980 ('the 1980 Act') because it appears to the authority that in the interests of the owners of the land crossed by the footpath and described in paragraph 1 of this order, it is expedient that the line of the footpath should be diverted.

This Order is also made under section 53A(2) of the Wildlife and Countryside Act 1981 ('the 1981 Act') because it appears to the authority that the County of Worcestershire definitive map and statement require modification in consequence of the occurrence of an event specified in section 53(3)(a)(i) of the 1981 Act, namely, the diversion (as authorised by this Order) of a highway shown or required to be shown in the map and statement.

The applicant has agreed to defray any compensation which becomes payable in consequence of the coming into force of this Order and any expenses which are incurred in bringing the new site of the footpath into a fit condition for use by the public ('the works to the new site').
